HPP1000 WORLD FAMOUS POUND OF

PICKS BY

A one pound assortment of blank guitar picks. This is a random "grab bag" selection of different colors, materials, and gauges. Mix of materials includes Celluloid, Delrin and PVC. Bag is sold by weight and not by count. A one pound bag averages approximately 600 to 800 picks. Great for music instructors, music stores, arts and crafts projects, or anyone who wants an inexpensive assortment of guitar picks.
