Keep your instrument safe and travel-ready with this deluxe full-size bass guitar gig bag in classic black. Designed with a smooth interior lining and reinforced padding, it helps protect your guitar's surface from scratches, dings, and everyday wear.

Built for reliable durability, the exterior features tough 600D nylon fabric and a rugged rubberized bottom for added resistance against impacts and rough surfaces. With 12mm padding throughout and enhanced 15mm padding around the edges, this gig bag offers superior all-around protection where your instrument needs it most.

A built-in neck support pillow helps stabilize your bass during transport, reducing strain and shielding the neck from shocks. For comfort and convenience on the go, the bag includes adjustable backpack-style shoulder straps, two sturdy carry handles, and a name window for easy identification.

- Deluxe Padded Bass Guitar Gig Bag, Full Size, Black. Smooth lining and a layer of reinforced padding protect the surface of your guitar from damage.
- Neck support pillow with velcro strap, to protect the neck of your guitar from shocks and strain.
- 600D Nylon fabric covering the outside, along with the hardy rubber pad at the bottom and the 12mm padding overall, give an unmatched outer layer of protection.
- 15mm padding around the edges
- Backpack straps for easy transport
- Comes with two pockets for picks, spare strings, and other accessories, dual adjustable shoulder straps, 2 carry handles and name window.
